With regard to the requirement to submit an Oath or Declaration, applicant submitted the same with the application when filed, a copy of which is enclosed. It is respectfully submitted that this Declaration and Power of Attorney form is in compliance with 37 C.F.R. 1.497(a) and (b), in that page two (2) of the form clearly identifies the International Application Number as PCT/ES99/00115 and the International filing date as April 30, 1999. Further, it is respectfully submitted that in section one (1) of the Notification of Missing Requirements it has been indicated that an Oath or Declaration of inventor(s) for DO/EO/US has been submitted and then in section two (2), that an Oath or Declaration must be furnished. Applicant's attorney's records show that a proper Oath and Declaration was submitted at the file of filing of the application and it is presented that the request for an Oath or Declaration is in error. Therefore, it is respectfully submitted that the surcharge fee for late submission of a Declaration and Power of Attorney is not due.

It is believed that no fees are required for entry of this Response, however, if any fees are deemed to be due at this time, the Commissioner is authorized to charge payment of the same to Deposit Account No. 50-0518. A duplicate copy of this sheet is enclosed.

Respectfully submitted,
